Financial Policy, Assignment & Agreement

I, the undersigned, understand claims for services rendered will be submitted to my insurance company for payment. I understand that my health insurance is considered a method of reimbursing me for fees paid to Narberth Family Medicine and Acupuncture Center and is not a substitute for payment. Some companies pay fixed allowances for certain procedures and others pay a percentage of the charge. Therefore, as my insurer may not cover all the services necessary for my treatment, I will be responsible to pay for and be financially liable for all applicable deductibles, co-pays and non-covered items as determined by my insurance carrier. Furthermore, if it is determined by the staff at Narberth Family Medicine that there is a patient copay(s) associated with any of the services provided to me. I understand that these copay(s) are expected at the time services are rendered and will be paid by me at that time.

Although Narberth Family Medicine and Acupuncture Center may <u>as a courtesy</u> convey to me information that it receives from my insurance company regarding the scope of my coverage, I understand that Narberth Family Medicine and Acupuncture Center is not responsible to confirm or verify the scope of my coverage and cannot guarantee the accuracy of the information that it receives from my insurer. <u>I understand that both before and during the course of</u> <u>treatment, I am responsible for understanding the scope of my insurance coverage, given that it does belong to me</u>. I am also aware that I should personally verify the scope of my insurance coverage with my insurer if I wish to have confirmation regarding the extent of insurance available for my treatment.

- 1. I request that payment of authorized Medicare and/or insurance benefits be made on my behalf for any services furnished me. I authorize and assign Narberth Family Medicine and Acupuncture Center to release to Medicare and/or my insurance carrier and their agents any information needed to determine these benefits or the benefits for related services.
- 2. This assignment shall remain in effect until revoked by me in writing. A photocopy of this assignment is to be considered as valid as an original. I understand that I am financially responsible for all charges, whether paid or not paid by said insurance. I hereby authorize said assignee to release all information necessary to secure the payment.
- 3. <u>We require a \$100 deposit to secure vour appointment.</u> This deposit will be refunded upon arrival, or can be used as a credit if you are receiving an out of pocket service on that date. This will be collected once we call to schedule.
